THE SUBJECTS OF OUR INTERCESSION

JOHN 17, 9a

Bishop Tshalo Katshunga

Intercession is crucial in view of man's weaknesses and limitations. The main thrust of effective intercession is the Father's glory and His people's welfare.

1

People to **KNOW** God

SEVEN PRIORITY PETITIONS

A woman with long dark hair, wearing a red top, is shown in profile, looking upwards with her hands clasped in prayer. She is standing in a field of tall grass or reeds. The background is dark and out of focus, suggesting a natural outdoor setting. The overall mood is contemplative and spiritual.

God can make up the difference
when we place our trust in Him.

A silhouette of a woman holding an umbrella over a child, standing on a grassy hill against a cloudy sky. The woman is on the right, holding the umbrella over the child on the left. The sky is dark with some light clouds.

2

People to be **PRESERVED**

SEVEN PRIORITY PETITIONS

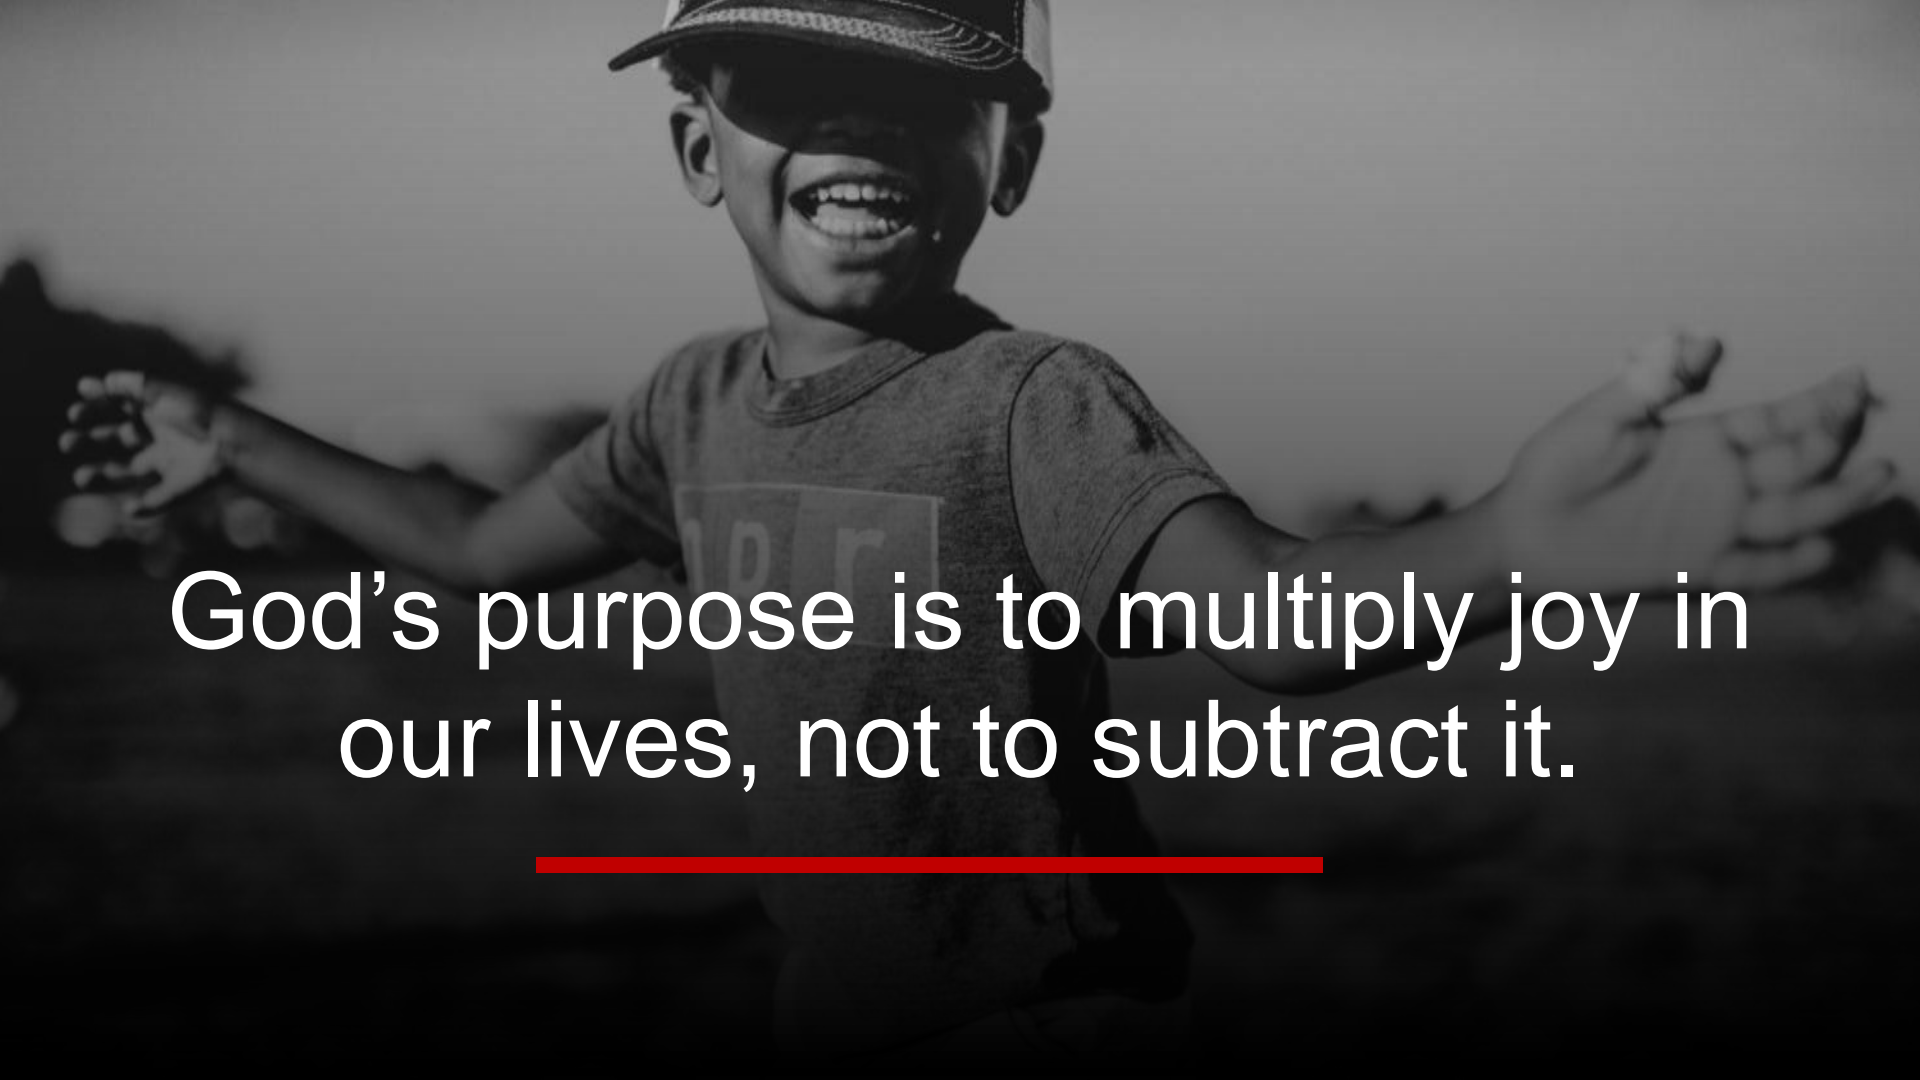

To remain on track 'inside-out' is not easy because of life's circumstances.

3

People to be
PROVIDED FOR
(fulfilled)

SEVEN PRIORITY PETITIONS

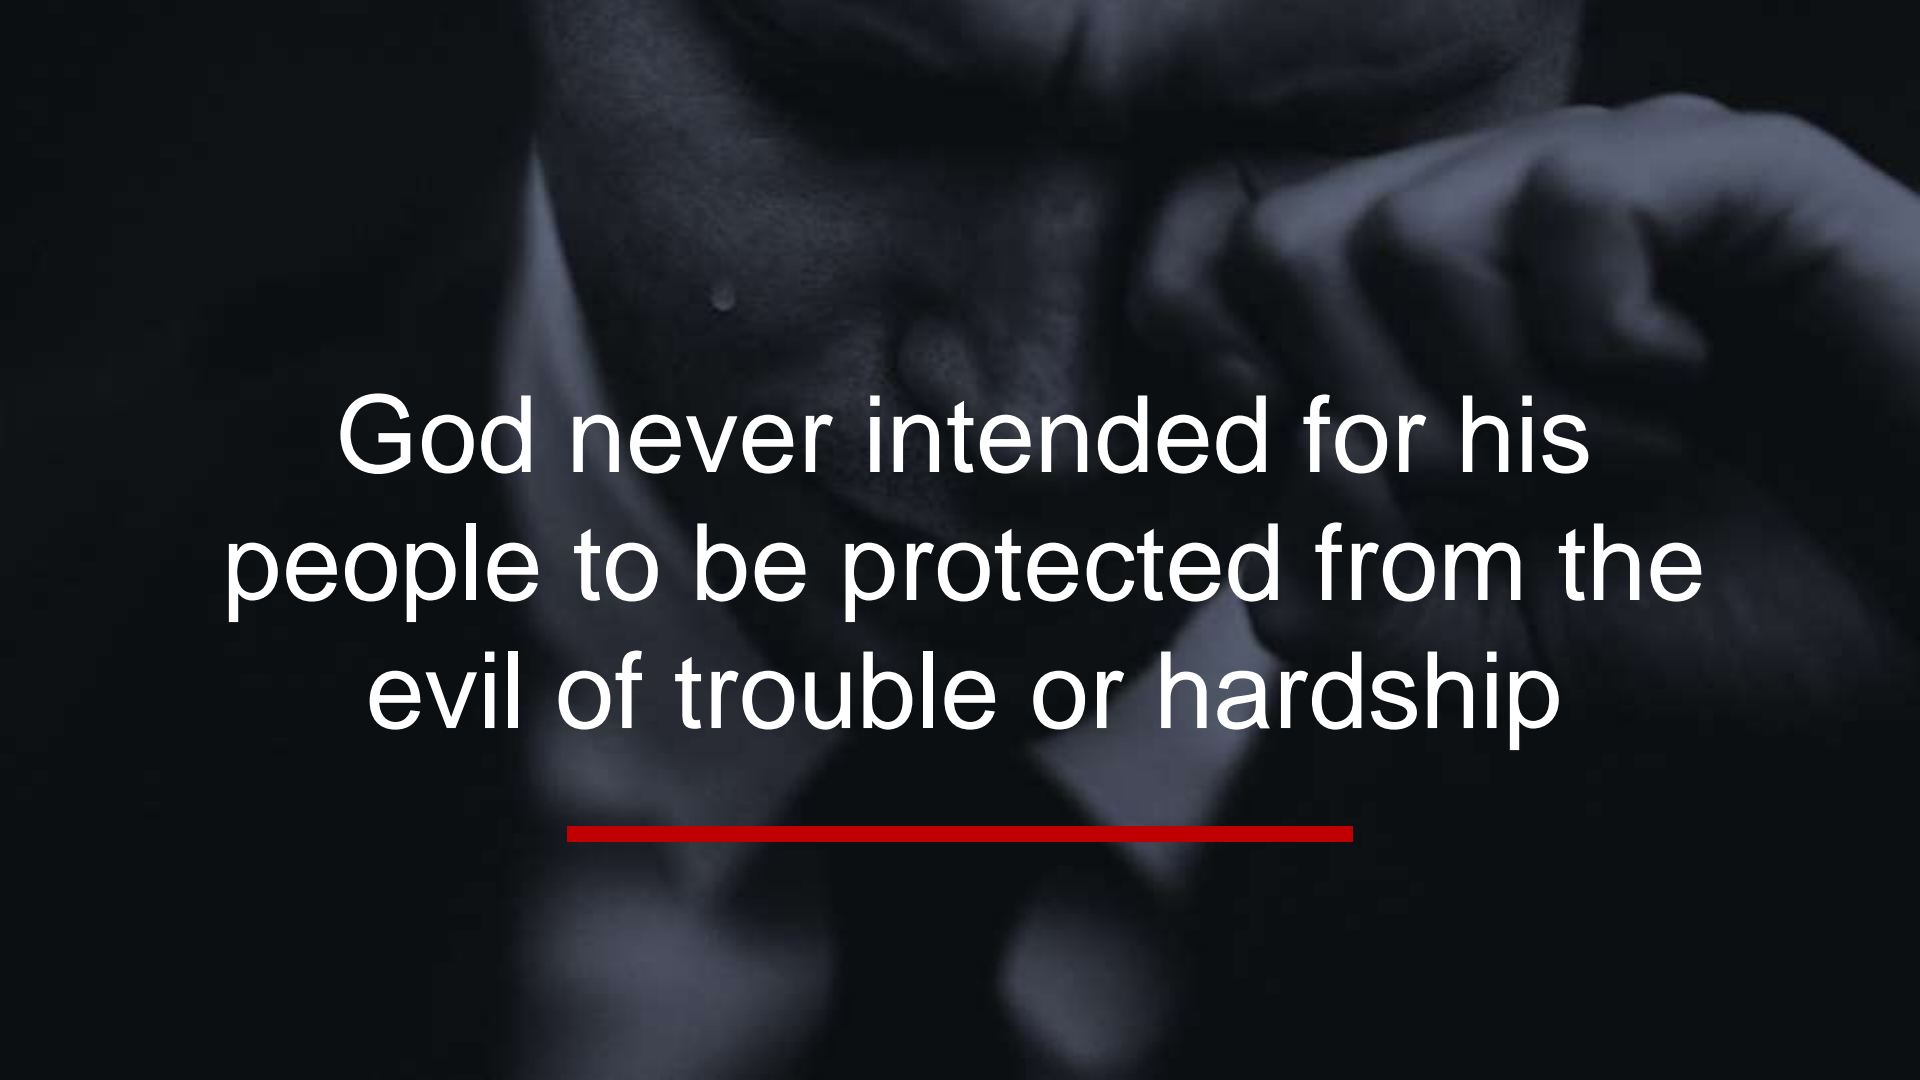

God's purpose is to multiply joy in
our lives, not to subtract it.

4

People to be **PROTECTED**

SEVEN PRIORITY PETITIONS

God never intended for his
people to be protected from the
evil of trouble or hardship

The pervasiveness and seductiveness
of the evil-one should never be
under-estimated

5

People to be **SANCTIFIED**

SEVEN PRIORITY PETITIONS

Our primary mission on earth is to complete our God-given assignments.

The pursuit of 'shadow missions' is the biggest tragedy of our time.

6

People to be **UNITED**

SEVEN PRIORITY PETITIONS

“Unity is a powerful witness to the veracity of Christ’s gospel.”

“We cannot assume continued unity because it cannot be legislated. By nature unity is a living, organic thing based on love and common identity.”

**“When something is worth it,
we work for it.”**

Jessica Smartt

7

People to be brought into a
**PERFECT EVERLASTING
UNION WITH CHRIST**

SEVEN PRIORITY PETITIONS

Genuine love must have
an object outside of itself to love
