Cultivate a RADICAL BOLDNESS

JOSHUA 15:16-19

Bishop Tshalo Katshunga

Radical boldness is one of the most indispensable ingredients needed for anyone who wants to stake a claim on all of **salvation benefits** available to those who are in Christ.

Know that

God cares about you

more than you care to know

**Refuse to be bold enough
to fight but cold to ask**

“Not being inclined to pray
is the biggest tragedy of our time.”

Resolve to cultivate a radical boldness in the
Area of asking and expecting

“There are better things concerning you
that come along with your salvation.”
