

# On "THE POWER OF THANKSGIVING"

(Excerpt from Pastor Dominique seminar)

1. Real thanksgiving is a selfless act stemming from our perspective to life.

**Reality - Reaction - Restoration**

2. Real thanksgiving is demonstrated in our words, our behaviour, as well as our actions.

3. Real thanksgiving is primarily a function of attitude. Therefore our attitude should always be examined because of its vulnerability.

# Few major attitude's problem:

- Forgetfulness
- Impatience
- Entitlement mentality

# Few major attitude's problem:

- Dissatisfaction
- Pride
- Spiritual blindness

4. Real thanksgiving can only become one's lifestyle when we develop an unshakable trust in the character and capacity of the unchanging and unchangeable God.

Therefore, reliance on the Holy Spirit for the development of our faith muscle becomes paramount.

5. Real thanksgiving as an act of obedience leads to peace, joy and assurance.
