

THE OUTCOME OF SUBMITTING
TO THE SOVEREIGN LAW OF LOVE

2 KINGS 6:18-23

Bishop Tshalo Katshunga

There's a big gulf between profession and practice. Claiming to trust God and to be his people and yet live in contradiction defeats our Christian faith.

PROVERBS 20:6; LUKE 6:46-49; JAMES 2:14

Seeing with the eyes of faith is such a powerful thing! But submitting to the law of love is even better.
